

# **BECOMING A GROWING HOME EMPLOYER PARTNER**

**HELP YOUR  
TEAM GROW  
WITH  
QUALIFIED,  
EXPERIENCED,  
READY-TO-  
WORK  
CANDIDATES.**

Growing Home is an organic urban farm that trains 50 Production Assistants each year in planting, harvesting, maintaining and selling organic produce.

After they spend 14 weeks on our farm, we assist Production Assistants in finding permanent, high quality employment. Our job seekers are pre-screened for the employer's qualifications and are ready to work.

Join us by becoming an employer partner today.

# CULTIVATE YOUR NEXT GREAT EMPLOYEE

Growing Home staff only refers the most qualified of candidates for the job. We work with individuals to assess their experience, goals and motivation to ensure that they are the right fit for your company.

As employees of our business, Production Assistants learn a variety of skills including:

- Attention to detail
- Knowledge of organic produce
- Multitasking and prioritization
- Pace and efficiency
- Teamwork

In addition, Production Assistants learn a multitude of skills through our structured job readiness curriculum:

- Conflict management
- Customer service and hospitality
- ServSafe Food Handler's certificate
- Time management and timeliness

## ONGOING SUPPORT

We provide follow-up support for you and our graduates throughout the life of their employment at your business. We will work with you to make a plan that fits within the needs of your company. Services can include:

- Site visits to see your business in action
- Periodic phone calls with managers
- Setting up group interviews for multiple hires
- Tax credits
