DONATING STOCKS TO GROWING HOME

Growing Home accepts gifts of stocks and securities. All donations will support Growing Home's employment training and community outreach programming at our Englewood organic farms.

Ask your tax professional about the benefits of donating stocks, mutual funds, and publicly traded securities as an alternative or supplement to cash gifts.

Donations must be a minimum of \$500 to use our brokerage account. If the donation is \$500 or less, please mail a check to:
