

GROWING HOME

...

At Growing Home, We Value...

COMMUNITY: We believe in creating, cultivating, and participating in fellowship, and using shared values and experience to foster a sense of belonging

CREATIVITY: We believe in taking a dynamic approach to our work that considers non-traditional, forward-thinking solutions

EMPOWERMENT: We believe in supporting individuals with knowledge, resources, and access to choices so that they develop greater capabilities to reach their *own* goals

EXCELLENCE: We believe in delivering the highest quality products and services

INTEGRITY: We believe in doing what is right and sincere over what is easy, and in upholding the commitments we make to our stakeholders

JUSTICE: We believe in creating access to, and advocating for, equity

PARTNERSHIP: We believe in working with and learning from others

RESPECT: We believe in promoting and nurturing individual dignity

.... Because we believe that *everyone* deserves a good job and good food.
